About This Game

Beyond Eden is a visual novel set in the Victorian era, centering on the themes of "love-hate" and "revenge."

The player enters the shoes of Alex Wake, a young businessman who returns to a Baron's mansion where he stayed as a boy. Bearing a deep grudge against the Baron and his family, Alex seeks to manipulate them and their employees in order to lead the family down the path of destruction.

Alex can develop dark and complex relationships with 6 male characters. It depends on you, the player, to steer the story towards foreseeable tragedies or help Alex discover the faint chance of redemption.

Description

- A psychological thriller centered on revenge.
- Homosexual romance between men based on the dark themes of love and hate.
- Warning: Features dubious consent/non-consensual sex between adult men.
- Develop relationships with 6 male characters (5 romantic interests) of various age, personality, and physique: the austere eldest son and heir apparent, the cold and silent second son, the pure and innocent youngest son, the kindly family doctor, the impeccably polite butler, and the social butterfly friend.

-
- More than 20 in-game events with sexual content. (Note: Does not include sexual depictions of women or minors.)
 - Individual stories for all romantic interests. Clearing every route will uncover the full truth behind the tragedy that transpired at the Baron's mansion more than a decade ago.
 - 17 different endings.
 - More than 70 elaborately illustrated event graphics.
 - Beyond Eden provides voices by Korean professional voice actors during major in-game events.
 - Beautiful original score in tune with the period drama. Over 30 tracks.
 - 15~25 hours of gameplay.

5 romantic interests

Oscar
The eldest son and heir to Baron

Joshua
The second son of Baron

Laurence
Alex's friend since university

Morris
The Edenics' family doctor

Theodore
The young butler

Befrienable character (non-romantic story route)

Jeremy
The youngest Edenic child

(Note: Jeremy is not a romantic interest, but Alex can still form a certain type of relationship with him. Jeremy has his own story route and endings as well.)

Story

It is the late Victorian era, a time of drastic social upheaval and shifting values.

Yet everything seemingly remains routine and unchanged in 'Ashgrove Park,' a stately mansion surrounded by a vast forest. But then a man arrives to disturb its tranquility—a man who spent his boyhood at the estate has now returned after 10 years. The Baron Edenic—the master of the house—and his four sons, the doctor, and the servants greet him with wariness, joy, or unfamiliarity.

A story of discord and destruction between and the people of the mansion and a man who hides his thirst for revenge beneath a calm demeanor.

Does the fall await beyond Eden?

Carlos Beltran Gets Hit Number 2500

05/21/2016 - It was one of Carlos Beltran's better days at the ballpark. The New York Yankees toppled the Oakland Athletics 13-2 and the right fielder recorded his 2500th career hit.

Beltran has a lifetime .281 batting average and .354 on-base percentage in his 2346-game career with 2501 hits and 401 home runs.

Rosario Goes Cycling

05/21/2016 - It was a special day for Eddie Rosario at Target Field. Not only did Twins beat the Toronto Blue Jays 7-6, but the Minnesota second baseman hit for the cycle, too. The 24-year-old Rosario racked up 1 single, 1 double, 1 triple and 1 home run to get his name mentioned in the record book. For the game he was 4-for-4 with 3 RBI and 3 runs scored.

J.D. Martinez Hurt, Out 3-4 Weeks

05/21/2016 - Detroit Tigers left fielder J.D. Martinez suffered a torn meniscus during a recent game with the Tampa Bay Rays and will miss 3-4 weeks. Martinez told BNN, "I hurt it running the bases. I'm optimistic that I will be back quicker than they say."

In this current campaign Martinez is hitting at a .348 clip with 9 home runs and 30 RBIs.

Royals, Rangers Close Deal

05/20/2016 - You can't always get what you want, but sometimes you find a deal anyway. The Baseball News Network is reporting that Kansas City and Texas have made a swap with 31-year-old CF Jarrod Dyson being shipped to the Rangers and in return the Royals would get 32-year-old LHP Cole Hamels and 20-year-old minor league 3B Josh Morgan.

The Texas general manager said the two sides were close to a blockbuster trade before agreeing upon a smaller scale transaction. "This is just a bit of housekeeping compared to what we wanted to do," he said. "I won't name names, but the potential deal we were close to making would have certainly grabbed some headlines." A source inside the Kansas City organization said the two sides might not be done dealing, and another transaction could be in the works.

Presently Dyson is batting .362 and has collected no home runs, 5 RBIs, .423 OBP and scored 16 runs.

San Diego-Boston Trade: Morrow for Lin

05/20/2016 - The San Diego Padres have finalized a deal with the Boston Red Sox for the services of 21-year-old minor league CF Andrew Benintendi and 22-year-old minor league SS Tzu-Wei Lin. In exchange, the Red Sox will receive 31-year-old RHP Brandon Morrow.

Up to now Morrow has compiled an ERA of 4.02 with a 2-4 mark over 9 starts. He has 46 strikeouts in 53.2 innings and has held opponents to a .263 batting average.

This game brings back memories of playing Megaman in my youth. I was using the keyboard at first however I quickly switched to an XBOX One controller and would certainly recommend some sort of gamepad. Beyond that, I've had fun with it. Several of the levels are quite challenging!. After getting the best ending I can say that this is an amazing game, and well worth all the excitement I had leading up to it. The story is great, and the characters are so charming. The art is beautiful and the music will be in my mind forever.

I do wish characters had unique reactions to items, but I understand why they don't.

This game is well worth your time. Get all the endings. All I can really say beyond this is that if y'all make another game in this vain I'm THERE! ESPECIALLY if there's EVEN MORE SMOOCHIN'!. The whole UI looks like placeholder graphics. The camera controls are dubious at best. The world has this "everything is lit"-feel you get from misused global lightning. Terrain is weird and textures are strange and repeated into infinity. Tower information is lacking and there doesn't seem to be more than three(?) tower models. Menus and transitions are horrific.

"Dear god what unfinished piece of crap have I bought into?"

But then against all hope it turns out the gameplay is solid. The maps are sizeable. Waves are well paced and decently balanced. Game mechanics like the "burning" from the laser tower is great. This is so much more fun than say "Defense Grid 2" that people seems to like so much. A true diamond in the rough.. Problem online multiplayer unable to join !!!!! some one same issue with me?. A very fun, simple game. The boss battles could have been a bit more imaginative, and they can be frustrating at times (you'll see when you play). Minor issue with high screen resolution, giving me a black bar across the upper part of the screen, but never missed anything important.

Racking up the kills with a high fight gauge is highly satisfying!. This♥♥♥♥♥us bad

5/10 I enjoyed this game, though some of the puzzles beat me I must admit, and I was unable to complete the final puzzle (speedy mouseclicking isn't my idea of a good puzzle), but no matter. The 'computer' glitched out and would not allow me to type, but when I went back to it after leaving it running for 40 minutes, suddenly it worked again. Odd. I can't say you should pay a lot for it, but the game time was satisfactory, though the ending (which I had to watch online due to the afore mentioned speed puzzle) was not so enjoyable.

. The U.S. Army is the most powerful ground force in the entire world. The backbone of a ground invasion is the U.S. Army Infantry, and in the midst of combat, their skills, courage, and teamwork are put to the test.

While readiness continues to be the U.S. Army's top priority, how it goes about its business is changing. Full Spectrum Warrior began as a training aid for the U.S. Army to reinforce Army doctrine and team effort within the troops. It is the most realistic portrayal of Infantry-level urban warfare via unique tactical action gameplay. Players become the Squad Leader, commanding Alpha and Bravo squads. There is potential for danger down every alley, behind every window. Watch those angles folks, we've got a job to do here. Hooah!

- Unique combination of tactical and action gameplay.
- Authentic implementation of U.S. Army Infantry doctrine.
- Simple control scheme lets you command eight soldiers in real time.
- Squad equipment reflects real weaponry and equipment currently in use by the U.S. Army.
- Immersive urban environments with danger around every corner.
- 2-player co-op, each player controls one fire team.
- Includes 2 exclusive bonus levels not available on Xbox.. A solid commercial debut, although it's definitely not as polished, varied and streamlined as Odallus, same developer's next project. At its core, Oniken is tremendously fun, but the little annoyances here and there can outweigh the pros for some, presumably. I'm glad that wasn't the case for me.. Such a Good Game :D Good for those who find Science Interesting. <https://youtu.be/c3XM9ctcARY>

I'd be lion if I said the game was good. If you pride yourself as predator enthusiast I'd leave this game behind.
